The ARK 2011 fundraiser was attended by Prince William and Kate Middleton; their first public engagement as a married couple. <https://www.flickr.com/photos/50295603@N02/48729993781/>

ARK is linked to the Dutroux Scandal, the text box is essential reading: <https://www.youtube.com/watch?v=QHSx3TXOifo>

It is quite likely this story is under a gag order, as someone posted these two videos together some years ago: <https://www.flickr.com/photos/50295603@N02/6346875509/>

Ark Academy took a number of children to Legoland in 2010; they had their photos taken next to a reptile. The symbolism is curious to say the least. <https://www.flickr.com/photos/50295603@N02/48610164381/>

Epstein is linked to Zionism, on account of his having contact details of YakofNeima, Hovevei Zion (Lover of Zion) <https://www.flickr.com/photos/50295603@N02/48633298533/>
